3/2-directional valve, Series DO35 0820005103

General series information AVENTICS Series DO Directional valves

The AVENTICS Series DO offer a simple, reliable and robust solution for all classical pilot control functions with direct electrical operation.

Technical data

Industry Activation Switching principle Function Compressed air connection output Compressed air connection input Compressed air connection, exhaust Working pressure min. Working pressure max

Operational voltage Operational voltage AC at 50 Hz Voltage tolerance AC 50 Hz Manual override Industrial Electrically 3/2, with spring return NC G 1/8 G 1/8 G 1/8 0 bar 10 bar 24 V AC 24 V -10% / +10% with detent

Electrical connection type Electrical connection size	Plug EN 175301-803, form A
Valve type	Poppet valve
Sealing principle	Soft Seal
Connection type	Pipe connection
Min. ambient temperature	-10 °C
Max. ambient temperature	50 °C
Min. medium temperature	-10 °C
Max. medium temperature	50 °C
Medium	Compressed air
Max. particle size	5 µm
Oil content of compressed air min.	0 mg/m³
Oil content of compressed air max.	5 mg/m³
Nominal flow Qn 1 to 2	140 l/min
Nominal flow Qn 2 to 3	130 l/min
Holding power AC 50 Hz	14 VA
Switch-on power AC 50 Hz	21 VA
Duty cycle	100 %
Protection class with connection	IP65
mounting screws	M5
Material	
Seal material	Fluorocaoutchouc
Part No.	0820005103

Technical information

The min. control pressure must be adhered to, since otherwise faulty switching and valve failure may result!

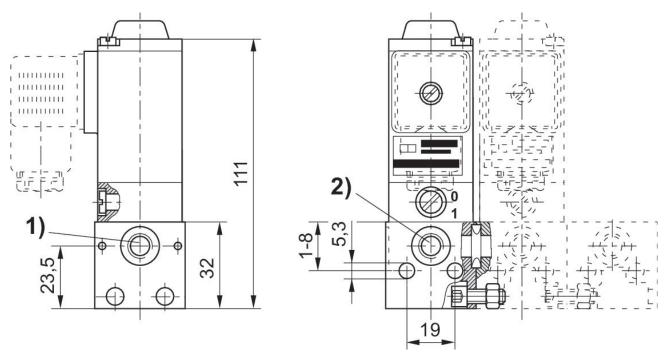

The pressure dew point must be at least 15 $^\circ C$ under ambient and medium temperature and may not exceed 3 $^\circ C$.

The oil content of compressed air must remain constant during the life cycle.

Use only the approved oils from AVENTICS. Further information can be found in the "Technical information" document (available in https://www.emerson.com/en-us/support).

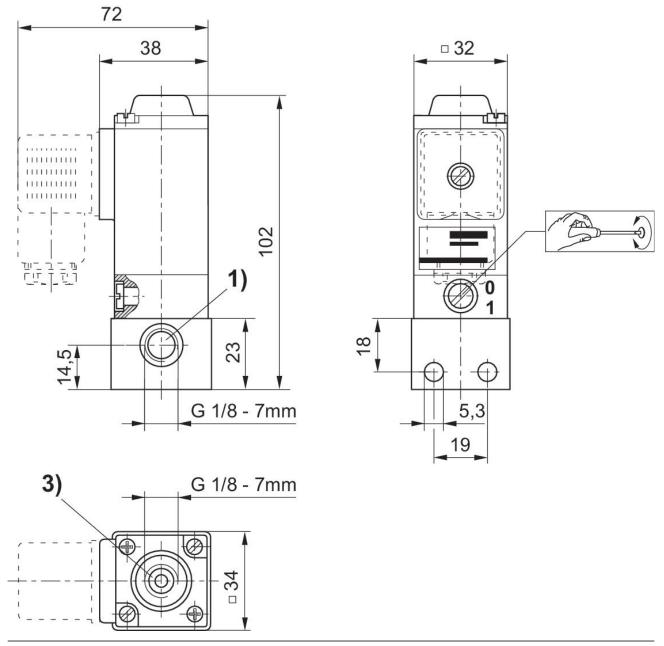

manifold valve

Scope of delivery: 2 screws M5x12, 2 nuts M5 DIN 934, 1 O-ring 1) Port 1 (Input) 2) Port 2 (Output)

single connecting valve

1) Port 1 (Input) 3) Port 3 (Exhaust)
