

Protective guard, Series NLC

1820507002

Valve
accessories

2024-08-13

Technical data

Industry

Industrial

Type

NLC Frame size 2

Type

for universal air preparation unit
Archive product: Do not use in new
constructions!

Weight

0.09 kg

Material

Housing material

Steel, chrome-plated

Surface housing

black oxidized

Part No.

1820507002

Technical information

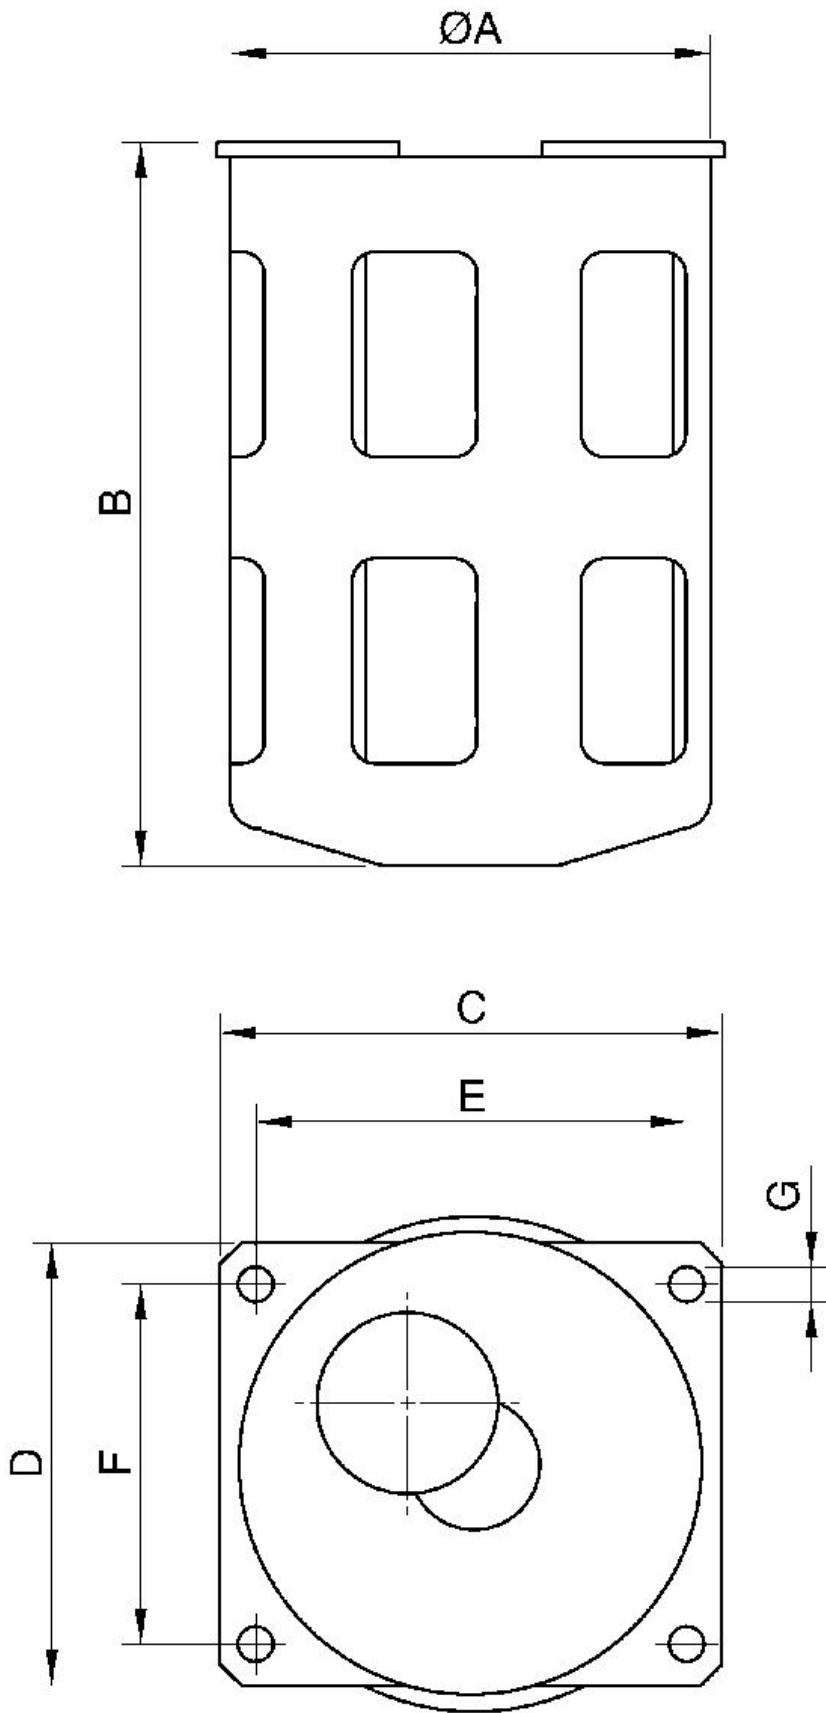

Can be retrofitted for PC reservoir
