3/2-directional valve, Series CD07-LT

R414011834

General series information Series CD07-LT

AVENTICS series CD07-LT consists of various spool valves with an extremely durable aluminum housing. CD07-LT is designed to operate under extreme ambient temperatures from -40 °C to +70 °C and extended voltage tolerance from -30 % to +25 %. The CD07-LT series is ideal for applications in harsh environments and complies with international standards for railroad applications.

Compressed air connection	G 1/4
Compressed air connection input	G 1/4
Compressed air connection output	G 1/4
Compressed air connection, exhaust	G 1/4
Compressed air connection pilot exhaust	G 1/8

Nominal flow Qn	1200 I/min
Nominal flow Qn 1 to 2	1200 I/min
Nominal flow Qn 2 to 3	1200 I/min
Working pressure min.	3 bar
Working pressure max	10 bar
Control pressure min.	3 bar
Control pressure max.	10 bar
Electrical connection type	Plug
Electrical connection size	EN 175301-803, form A
Electrical connection number of poles	3-pin
Connector standard	EN 175301-803:2006
Protection class with connection	IP65
Reverse polarity protection	Protected against polarity reversal
Operational voltage	24 V DC
DC operating voltage	24 V
Voltage tolerance DC	-30% / +25%
Pilot	External
Pilot Power consumption DC	External 5.5 W
Power consumption DC	5.5 W
Power consumption DC Duty cycle	5.5 W 100 %

Technical information

Nominal flow Qn at 6 bar and $\Delta p = 1$ bar

Pilot valve mounting on the side

The min. control pressure must be adhered to, since otherwise faulty switching and valve failure may result!

The pressure dew point must be at least 15 °C less than ambient and medium temperature and may not exceed 3 °C.

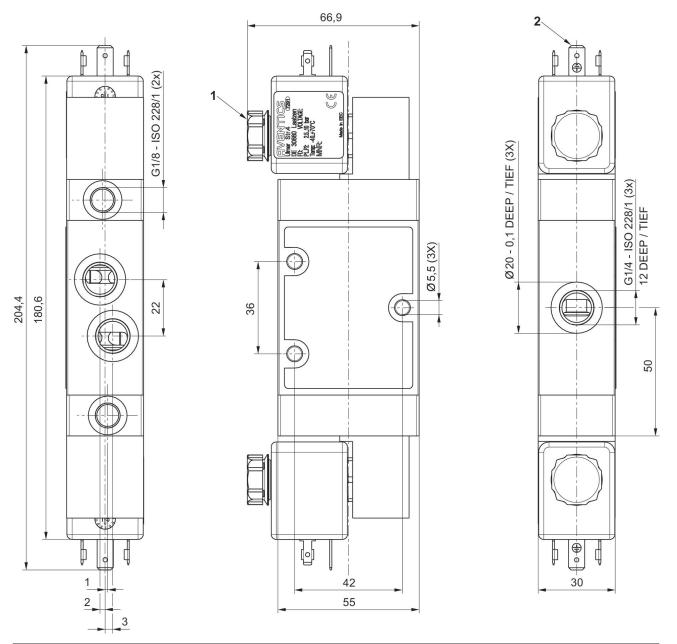

The oil content of compressed air must remain constant during the life cycle.

Use only the approved oils from AVENTICS. Further information can be found in the "Technical information" document (available in https://www.emerson.com/en-us/support).

The protection class is only ensured when the plug is mounted properly. For detailed information, see operating instructions.
