

Manifold strip, Series TC08

R422000932

Series

TC08

2025-03-06

Technical data

Industry

Industrial

Type

Manifold strip

For series

TC08

Type

Manifold strip

Nominal flow Qn

800 l/min

Min. ambient temperature

-10 °C

Max. ambient temperature

50 °C

Medium

Compressed air

Number of valve positions

3

Weight

0.148 kg

Material

Material base plate

Aluminum

Seal material

Acrylonitrile butadiene rubber

Part No.

R422000932

Manifold strip, Series TC08

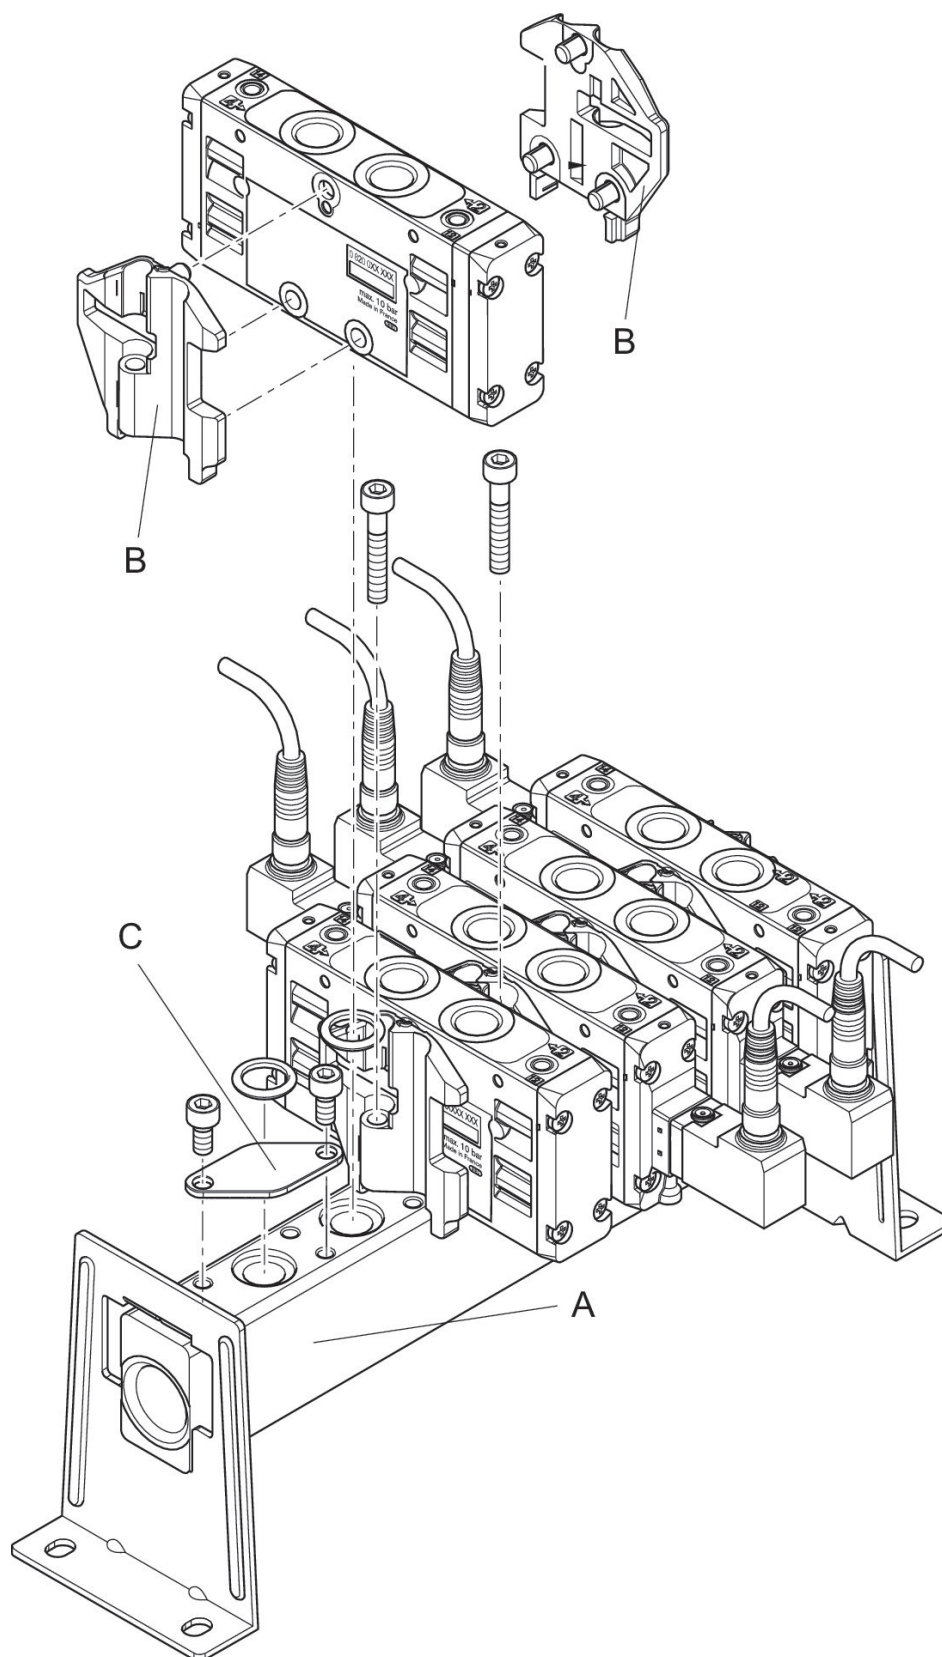

R422000932

Series

TC08

Mounting on manifold strip

The following must be ordered to mount the valves: manifold strip A, mounting kit B (R422000937), Blanking plate C (R422000939)

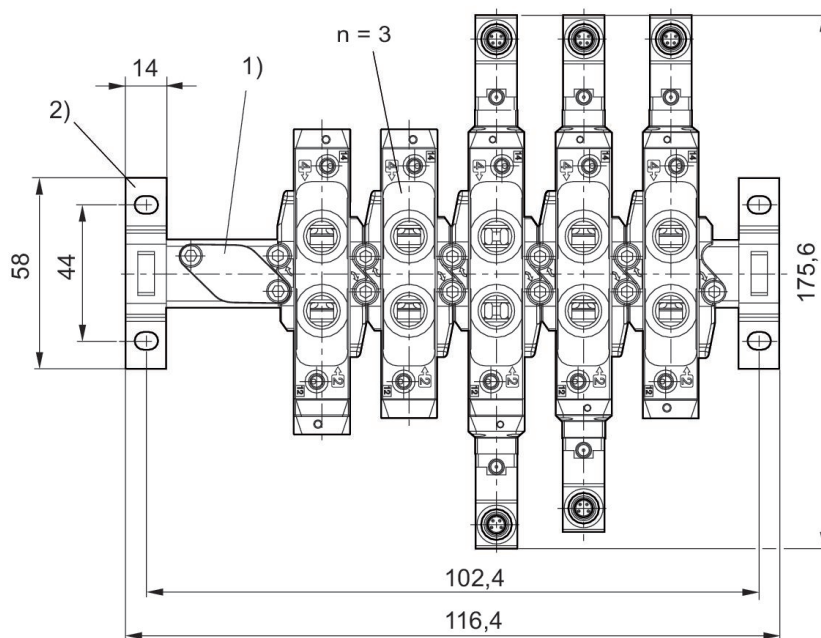

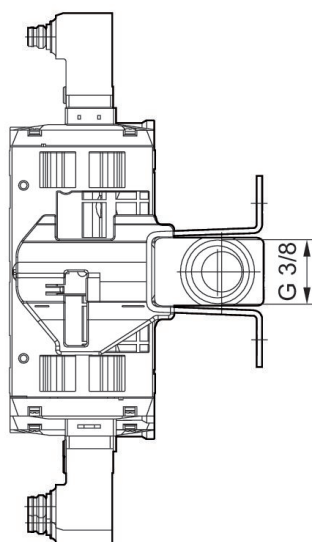

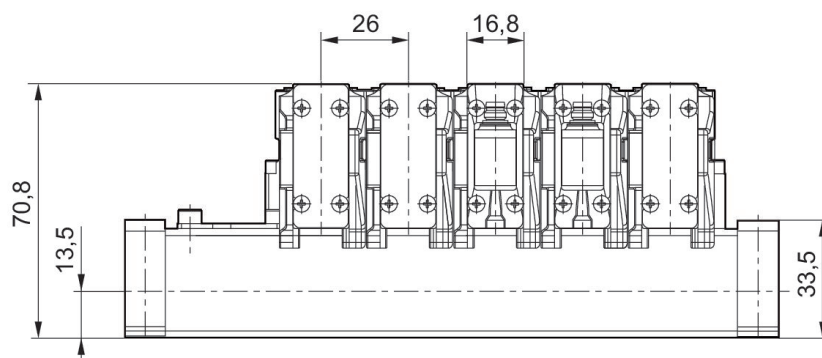

R422000932

Series
TC08

2025-03-06

Dimensions in mm

p-strip with support bracket

1) Blanking plate
2) Please order mounting clip 1821332049 separately.
n = number of valve positions

Dimensions in mm

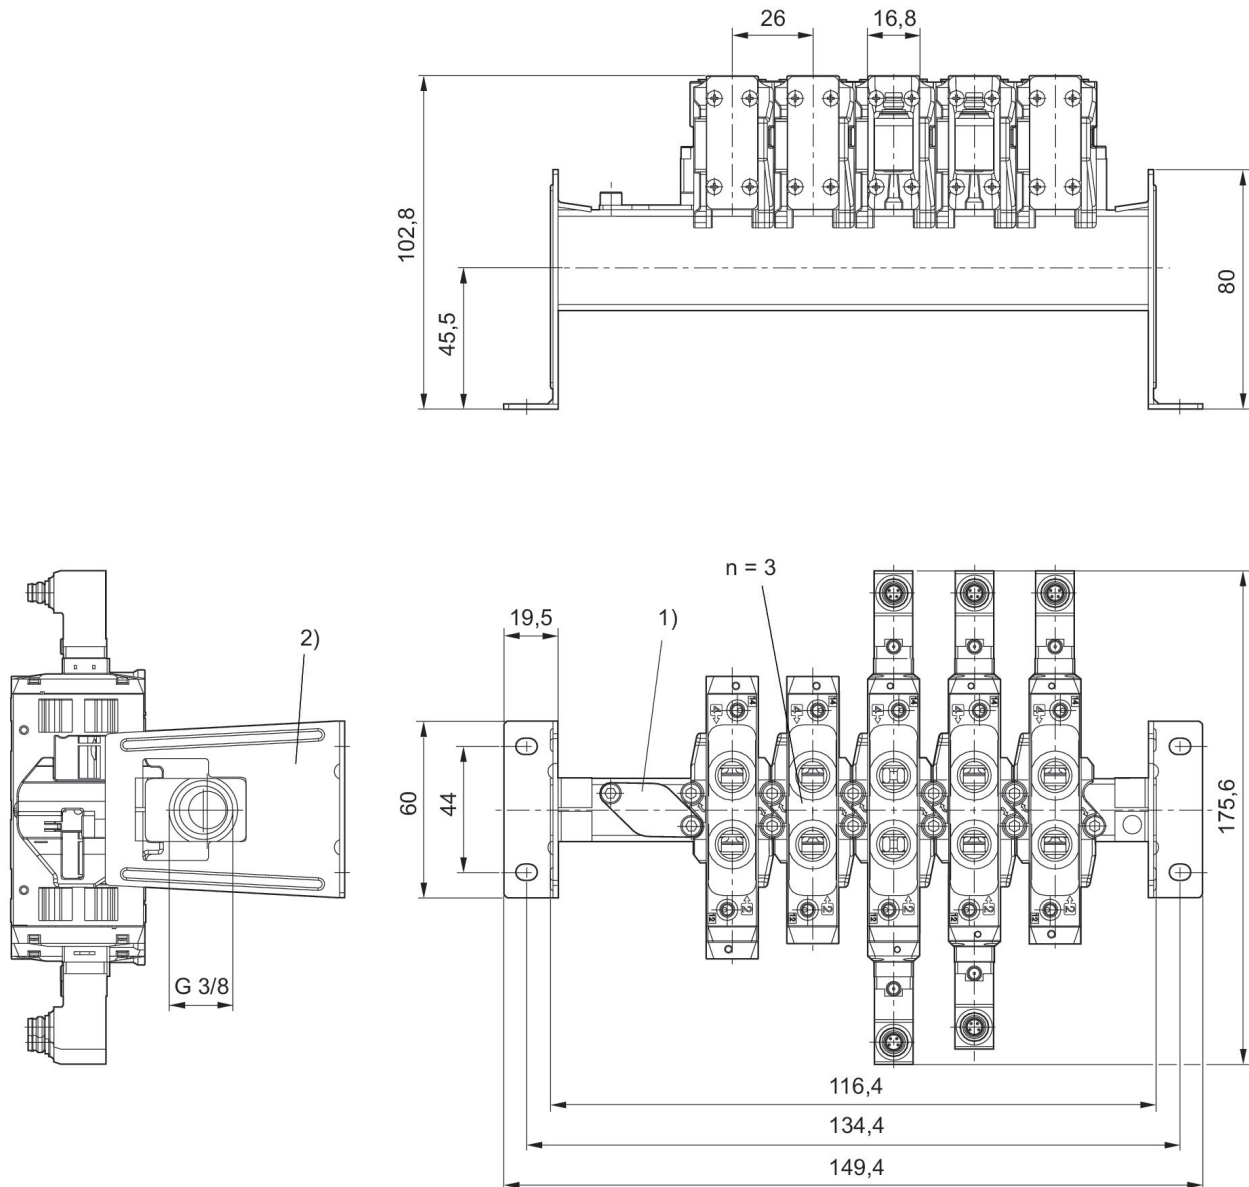

Manifold strip, Series TC08

R422000932

P strip with mounting bracket, vertical installation

1) Blanking plate

2) Please order mounting bracket 1821332048 separately.

n = number of valve positions

Vertical installation not possible with 5/2 directional valves, electrically operated on each side and 5/3 directional valves, electrically operated.

P strip with mounting bracket, horizontal installation

1) Blanking plate

2) Please order mounting bracket 1821332048 separately.

n = number of valve positions
